

# Consort *fs* Multilock

Added Security  
Positive Action

A police preferred product and manufactured in the UK, the Consort *fs* Multilock is a new concept in window security and is fitted as standard on all **Consort *fs*** windows.

Visually attractive, this unique design uses a multipoint locking system to provide the necessary security to BS7950 standards, plus an easy, smooth, positive action.

Available in standard gold or the marine specification silver, with anti-salt corrosion protection, the Consort *fs* Multilock gives that added confidence of extra security to the elegant new sculptured appearance of the **Consort *fs*** system.
